Tlupiich Games 2018 Port Alberni

We managed to take a few athletes to the 2018 Tlupiich Games, the weather was sweltering hot and didn't help with the two forest fires in the valley. Nevertheless, our athletes did our nation proud, one 100m Finals, our girls swept and received 1st 2nd & 3rd, Thanks to all those who helped out over the three days.

Okmiin Campout

The campers enjoyed the campout at Okmiin, thank you to Joe Curley, Larry Curley, Native Sunrise, Amy Charlie, Shawn Quick and O&M Crew for dropping things to help out for half the day; Special Acknowledgement to Bruce Frank for all the runs you did on Friday to get campers and gear to Okmiin until early in the evening.

TFN Summer Students

i want to take this time to thank all of our summer students throughout this past few months.

Joey David, Maureen Tom & Neleeta Frank all joined us at the Daycare as an ECEA summer Students. They used their education and experience to date, from all reports they gained some invaluable insight that will come in handy on their return to school with North Island College next week. Congratulations and we look forward to your graduation June 2019.

Amy Charlie, Carol Curley & Weslia Tom - thank you for your time this summer, it was a bit more chaotic than usual, and we appreciate your willingness to adapt to things changing over the summer. Weslia was in high demand with our Main Administration. Good luck with your studies on your return to school.

Amy good luck at VIU we all know you will do well, stop by for a visit or give us a call anytime.

Post Secondary Early Childhood Care Education

ECCE - North Island College

Currently we have 12 students in the program and they are a mixture of Tla-o-qui-aht and Ucluelet First Nation Students. They began March to June, with a summer break.

They will resume their studies September 5, 2018. If you see our students around please give words of encouragement. Education, once we are complete is very rewarding. There are many of us who have formal and practical education, once we are complete, we do see that our sacrifice was well worth it; each of you are role models in my eyes, and I look forward to June 2019 - your graduation.

Supported Entry Carpentry Level 1 - North Island College

We would like to see additional Tla-o-qui-aht members registered to take this Post Secondary Course - what a great opportunity for the school to come to us, versus having our people leave to do their education. This way you have your family support here with you.

This class is meant for those students who have little experience in carpentry, facilitators will be on hand to assist. As well Chris is our nation's Cultural support worker

Registration/information sharing

We hosted an Open House on August 15/18, serving a dinner for the families who had questions and to register their child for day care and preschool. The catered dinner was enjoyed by all. We had some families join or stopped in to register for the new upcoming school year. It was a chance for us to meet new families and returning families in our communities. It was a great evening with parents asking questions and doing tour of our facility. We welcome families to come register and have a look at our new facility if you haven't done so.

Feel free to call or schedule a time if you'd like to see me about anything concerning day care. Special thank you to Audrey Edgar for catering the dinner. Everyone enjoyed the food you prepared.

New Hire Please join us in welcoming Maya Molander to Tlucha, she joins as our new Early Childcare Educator Assistant, she will be working with us on a part time basis.

Infant & Toddler Program

We have been actively advertising and promoting for qualified staff for the daycare. With the departure of our summer students and Cheryl this leaves our facility short staff, which results in cutting back on number of Infants and toddlers – we will keep you advised once we can open more spots.

If you have any questions, please contact Lila.

Summer Student Workers for Day Care

Thank you to the ECE students *Maureen Tom, Joey David* and *Neleeta Frank* who worked at our day care to gain experience. You all did great with the kids in your care. Your patience & guidance with the children really showed.

Such a good experience for you all and you'll be able to bring some of the things you learned working at the day care & share with the other students. We look forward to seeing you during your practicums in the fall. All the best to you in finishing your schooling and working towards receiving your ECCE Certificate or if you're pursuing your I/T Certification.

Infant & Toddler Worker

Thank you to Cheryl Campbell for joining our team as I/T worker for our day care, your years of experience and knowledge in working in Day care field helped us out all.

The Čiinul acknowledges the powerful and sacred care expressed through this relationship. Not just from the past, but in the present and into the future.

It has been a dream of Tla-o-qui-aht master carver, Joe David, to see this totem carved and raised in the township of Tofino so that everyone before it understands the title of the Ha'wiih. The project has been supported by a core group of carvers who have all donated their time to this legacy project.

This ceremony will be followed by a Celebration Dinner hosted by the District of Tofino starting at 5pm at the Tofino Community Hall.

ARTIST TALK WITH LOU-ANN KAKASOLAS NEEL, KWAKWAKA'WAKW

Challenging the popular colonial belief that only men were trained in the ancient practice of carving, Lou-ann will honour the legacy of her grandmother Ellen Kakasolas Neel, as a practicing artist and carver who has been largely left out of recorded art history. Lou-ann will share stories from her grandmother's life and the impressive body of work created during her lifetime. Lou-ann will also offer insights and reflections from her own journey as a female carver and artist, including her frequent visits to museum collections in BC and Washington state, where the works of many of her family members are housed.

The Čiinul was raised at Teztan Biny (Fish Lake) during the declaration of the Dasiqox Tribal Park. The depth of this alliance will be honoured with a presentation by Nuu-chah-nulth carver, Tim Paul, and a Tsilhqot'in delegation of the Tsilhqot'in Community.

“MAKER OF MONSTERS” THE EXTRAORDINARY LIFE OF BEAU DICK. BY DONATION SEPTEMBER 09, SUNDAY, 7PM FILM SCREENING. Q&A WITH DAUGHTER LINNEA DICK FOLLOWING THE FILM

Maker of Monsters gives an intimate look into the life of one of Canada’s greatest artists. Beau Dick worked within an ancient tradition and rose to the ranks of international success within the white cube world of contemporary art while never forgetting his roots. This film strives to capture the essence of Beau Dick and his mysterious enigma as an artist who symbolized Canada’s history with the First Nations and the ethical dilemmas faced in reconciling with that colonialist history. Beau was able to use his celebrity to call attention to the injustices done to his people and the environment.

In reaching into his past, the stories of the Kwakwaka’wakw nations are also brought to the forefront; their rich history, their dramatic mythology, and the deep scars left by colonialism. Weaving together the personal and cultural until both become inseparable, Meet Beau Dick presents an artist who succeeded in reconciling the two.

Maker of Monsters strives to unearth the factors that made Beau who he was – his deep connection to identity, family, and community, his struggle with addiction – and like a carver chipping away at a block of wood, his story brings truth and understanding out of the woodwork. Meet Beau Dick illuminates a man whose art and life continue to transcend expectations and boundaries.
