## Social Development Welcomes - Allison Howard

Tla-o-qui-aht Administration would like to welcome Allison Howard as TFN's new Social Development Clerk.

Allison comes to us from Gold River, and is now getting settled into her position. Over the next month or so Allison will be doing her best to get connected to the TFN members and reaching out to clients to conduct her interviews and get to know everyone.

Allison can be reached by calling:  
250.725.3350 - Email: [faw@tla-o-qui-aht.org](mailto:faw@tla-o-qui-aht.org)

## Garbage Dumping

Reminder to all residents of Opitsaht/Esowista/Tyhistanis: Use the dumpsters for disposal of your household trash. Anything too large to fit in the bin, must be brought to the West Coast Landfill. Please do not dump beside the bins, or in the old dump behind Opitsaht, or on the beach. Bring your trash to the bins. This is for the safety of our residents/children and to keep our communities tidy. Also be reminded that disposing of fish guts, carcasses, into the garbage bins is not a desirable solution due to lingering odours. Please find alternate disposal away from the communities for fish remains.

West Coast Landfill can be reached at: 250.726.2727

## Social Development Clients

## Social Development Update

August 7, 2015

My name is Allison Howard and I have been hired on as of July 27, 2015 as the new Social Development Worker for Tla-o-qui-aht First Nation. I am excited to be here in your nation to get to know each and every one of you as well as connect with family of my own. My family roots are through the Haiyupis/Sutherland family. My mother, Loretta Charleson (Sutherland) was the daughter of late Roy and Daisy Haiyupis and my father Randy Fred comes from late Martin and Martha Fred (Touchie). I am now married into the Howard family from Mowachaht/Muchalaht. With me I have brought my husband and five children between the ages of 7 and 17 who are enjoying their new home.

I just want to give our clients a huge thank you for all of your patience and understanding with the Social Development program and turnovers. I will assure you that I am now here to stay and will do my best to work with you. I am grateful to all of those that went out of their way to work the best they can to keep things moving ahead as I know NTC is under Compliance Review through Indian Affairs and it can be a stressful time.

With that all being said I would like to reiterate the importance of the Social Development and compliance. I know it may seem like you have had to bring in paperwork and more over the past while. Please understand that this is all necessary for compliance in the program.

All clients must bring in if they haven't already:

- ✓ Applications - filled completely, dated and signed
- ✓ Notice of Assessment from Taxes and any Child Tax Assessments
- ✓ Two pieces of Identification - one picture and not expired
- ✓ Bank Statement- or a receipt from where you cash your cheque
- ✓ Tenancy Agreements, BCR with proof of ownership or Mortgage numbers if privately owned
- ✓ Hydro and phone bills must be submitted each month for payment when eligible

Once again I thank you all for your patience and understanding and look forward to meeting you.

Allison Howard  
Social Development Worker

## *Are You Thinking About a Career Change, Going Back to School or Getting into Health Care?*

Hupiimin wiikšahiiy`ap (Nursing Services) at the Nuu chah nulth Tribal Council are researching options to establish a Health Care Assistant Program for Nuu chah nulth in the Central Region. There are employment opportunities for individuals with this training. The job outlook in health care is greater than ever as our population ages.

A Health Care Assistant (also referred to as a Residential Care Aide, Community Health Worker, Health Care Aide) assists in the basic care of individuals under the direction of nurses. They provide personal care and they work in a variety of settings. We are most interested in training workers to provide home care services for people in the Westcoast communities. Yuulu?i?ath First Nation has offered to host the program.

We want to establish a list of potential students that can commit to completion of classroom courses and a practicum in a 30 week course.

This course can be a stepping stone to further education in health careers.

Interested? Want to know more? Please call Holly Harrison at Hupiimin Wiikšahiiy`ap (Nursing Services). Phone: 250-724-5757.
