

Go to Google and type in:
"Health Gateway Vaccine Card"

Tap on the first link, then it should say "Get Card"

A single place for BC residents to access their health records

Fill in your: PHN (care card #) + Birthdate + Date of 1st or 2nd dose of the vaccine

A screenshot of the "Access Your BC Vaccine Card" form on the British Columbia Health Gateway website. The form asks for the following information: Personal Health Number (PHN), Date of Birth (Year, Month, Day), and Date of Vaccine (Dose 1 or Dose 2) (Year, Month, Day). There are "Cancel" and "Enter" buttons at the bottom. A red circle highlights the "Enter" button. A "Privacy Statement" link is at the bottom left.

Then *Screen Shot* the "vaccinated" QR code and it will save to your photos on your cell phone
